IN THE MOMENT

FROM THE EDITORS

Do you remember the simpler days?
Back when the only phone we had was a wall mounted unit with a 100ft cable?
Back when you could just show up at your friend's door unannounced?
Endless conversations, friendships we built, memories we cherish.

These days, we are all rushing through life. Kids and adults alike.
There's always somewhere else to be and something else to do.
Our thoughts pile up on top of each other until we become tangled up
in a web of "yesterdays" and "tomorrows".

Where is the NOW?
Where is THIS very moment?
Connect.
Slow down.
Live.

We invite you to take your time looking through the pages of this magazine.
Feel the wind in your hair, remember your friends, the laughter, the joy!
Be IN THE MOMENT!

Thank you to everyone who contributed to this issue!
Enjoy!

ZOE

WHAT MAKES YOU, YOU? My enthusiasm and positivity, that I'm a creative person (always have many ideas) and that I'm a dreamer.

WHAT DO YOU WANT TO BE WHEN YOU GROW UP? I want to become an actress.

WHAT IS YOUR FAVORITE THING TO DO? I love to create things and I love to work on set (standing in front of the camera).

THREE WORDS THAT DESCRIBE YOU- GO! Free, energetic, adventurous.

DOGS OR CATS? I love them both.

ONE THING YOU'RE GOOD AT? I'm good in creating things.

ONE THING YOU'RE NOT SO GOOD AT? Being patient.

DREAM COUNTRY TO TRAVEL TO? Japan.

ONE THING YOU COULD NEVER LIVE WITHOUT? My family.

CURRENT OBSESSION? Clothes.

FAVORITE SONG TO SING IN THE SHOWER? 'Riptide' Van Vance.

WHAT MOVIE COULD YOU WATCH OVER AND OVER? An old '90's movie 'Whats eating Gilbert Grape' with Leonardo DiCaprio and Johnny Depp.

DO YOU HAVE ANY WEIRD TALENTS? I can make some weird dance moves.

WHAT'S THE CRAZIEST DREAM YOU'VE HAD WHILE SLEEPING? Once when I was in primary school I've dreamed that a boy from my class was a crocodile and he wanted to eat me.

HOW DO YOU FEEL ABOUT SOCIAL MEDIA? I like it, it can be practical and I like to stay in contact with my friends. But what I don't like about it is that I can spend too much time on it, which I could use for other things.

WHAT IS SOMETHING THAT'S IMPORTANT TO YOU? Nature, and seeing my little sister grow up and being there for her.

WHO IS YOUR ROLE MODEL? Lily Rose Depp.

IF YOU HAD THREE WISHES WHAT WOULD THEY BE? That my dream of becoming a good actress will come true, that I will have a cat, and to live in an old castle.

WHAT IS SOMETHING ABOUT YOU THAT YOU'D LIKE US TO KNOW? That I loved to do this photoshoot the most of all, because of the style and the whole setting and the team I got to work with.

WHAT DOES LIVING IN THE MOMENT MEAN TO YOU? It means a lot to me to live in the moment (not in the past or in the future) because there I feel free. I have these feelings of freedom especially when being in nature, I create things, swim in the water, laugh a lot, acting crazy and going on adventure.

Shot at a farm in Portugal: Sardine & Kangaroo

Hi Isabel! Tell us a little bit about this editorial.

This editorial was in my mind for some time, since we bought this beautiful farm in Portugal. One side of the farm has this incredible quality where the sky touches the earth. Like in Africa, you can touch the sky, and I love that feeling. So, wanting to have kids flying in the clouds seemed just a natural idea.

What was the inspiration?

The sky in our farm, it is just amazing. In reality, it is a location farm because the light and nature are absolutely outstanding.

How did you get these amazing jumping shots?

We really had to find a way for the flying kids, and so we bought a trampoline. Our farm has nothing for now, but it has a fabulous trampoline.

What was your favorite part of the shoot?

Besides the shoot itself, I loved all the ambiance with the kids, their parents and the team. Ylfa

arrived from Barcelona, Clara from Paris and João from Lisbon. Christina Kapongo, the stylist and Art Director also came from Barcelona with the clothes. The language communication was absolutely crazy between French, English, Spanish and Portuguese, but the kids being kids, managed to find a way through, and the sense of togetherness was incredible. Everybody helped to assemble the trampoline, parents, kids and team and that was the starting point for the amazing vibe that went through the day, joyful, happy and somehow magic.

What does living in the moment mean to you?

No sorrow for the past and no anxiety for the future, connecting to the moment we are in, as kids know so well how to do, and adults seem to forget, is the way to joy and fulfillment.

That is exactly what I love about Africa, exactly that capacity of being in the moment!

What does it mean to be in a moment? Where is the connection between childhood and adulthood?

Let's imagine that the White Rabbit represents time and curiosity in Alice in Wonderland. The rabbit hole is a symbol for Alice's flow of imagination. It is her sense of the impossible being possible. Despite the fact that Alice saw a talking rabbit running past her in human clothing, she found nothing too remarkable about it. It was only when he took out a pocket watch that she began to wonder. And that's when the story begins.

To be in the moment is to follow the flow of events. Every adult carries his/her inner child in their heart, and in every child lives a future adult. Alice in Wonderland is the endless metamorphosis, a dream of life.
